A Helping Hand in The Times of Need

The helpdesk associates stationed at various hospitals are the unsung heroes of our society, offering a beacon of hope and support to those in need. With unwavering dedication and compassion, they provide a lifeline to patients and their families, ensuring that no one faces their challenges alone.

One day, AIIMS, Bhubaneswar got the news of a man being rescued with multiple injuries. Sri Baya Patra, a 64-year-old man with multiple injuries and his wife were rescued by Khandagiri police from Delta Square, Bhubaneswar.

The welfare dept. of AIIMS contacted our helpdesk associate Somanath Swain to assist the patient. Without hesitation, Somanath immediately rushed to them. With compassion in his heart, Somanath provided Sri Patra and his wife with the required medical assistance they needed during their time of crisis. There was no one to take care of those elderly person. Recognizing the importance of ensuring their safe return, Somanath himself arranged an auto rickshaw to transport them back to their residence in Siripur, Bhubaneswar.

Shri Baya Patra and his wife were overwhelmed with gratefulness for Somanath's selfless service and expressed their heartfelt gratitude to Somanath and Odisha-MoParivar.

Assisted Family In Transferring Mortal Remains

Manoj Rao (22) and his grandmother Jhulana Rao (55), residents of Ganjam, while on their way to attend a function, met with an accident and suffered multiple injuries.

Both were rushed to MKCG, Berhampur for emergency treatment. Our helpdesk associate Girija Satapathy attended the family and helped them with required medical assistance.

Unfortunately, they succumbed to their injuries. Upon receiving the news of their demise, their family was completely shattered. Burdened with financial difficulties, the family approached Odisha-Mo Parivar seeking help

man from Nandore, Bhadrak, had been experiencing persistent health issues such as headache, weakness and body ache. After seeking initial medical attention at a nearby hospital, he was referred to AIIMS, Bhubaneswar for further treatment.

Accompanied by his mother, Abinash visited AIIMS. Unable to know about the procedures of the hospital, they found themselves lost and were sitting helplessly in the waiting hall. Our helpdesk associate Somanath Swain noticed them and guided them with the required hospital

procedures. Starting from getting a doctor's consultation followed by prescribed tests till getting medicines from the pharmacy, all were arranged smoothly.

Even after their initial visit, they kept in touch with Somanath, who continued to offer assistance to them during follow-up appointments. Abinash and his mother were deeply grateful for the support they received during this challenging time.

Timely support to an elderly lady

Courendri Sahu, a 70-year-old **O**lady, residing in Boudh, was feeling unwell, experiencing weakness, body pain and symptoms indicative of hyperthyroidism. Seeking for medical assistance, she visited VIMSAR, Burla.

Alone at the hospital, she was noticed by Narendra Suna, our helpdesk associate, who attentively listened to her distress.

Narendra attending the patient

Responding promptly, Narendra accompanied her to the doctor, where a thorough examination was conducted. Subsequently, the doctor prescribed necessary tests and medications to address Sourendri's condition.

Sourendri was extremely grateful for Narendra's quick intervention, effective coordination and the care she received.

Lili Nayak's Remarkable Recovery

Lili Nayak, a 49-year-old lady from Athagarh, was suffering from prolonged kidney related issues. She first visited the nearest hospital but since there were no sign of improvement, she was referred to SCB Medical. Cuttack for further treatment. However,

Alok attending the patient

she reached out to Dr Satyajit Dash, health advisor, Odisha-Mo Parivar's who suggested her to visit Capital Hospital, Bhubaneswar.

Our helpdesk associate, Alok Ranjan Sahoo was advised to look after the case. Alok arranged a consultation with a doctor and after undergoing the prescribed tests, it was found that Lili was in the 3rd stage of chronic kidney disease (CKD) and was advised to continue treatment.

Over the next six months, Alok supported her in the required medical assistance. Lili was also suffering from thyroid problem, diabetes and urinary infections. She was unable to walk and was dependent on a wheelchair for mobility. Gradually with time, her condition improved significantly.

Today, Lili's health has improved

a lot and she is able to walk independently. Lili expressed her gratitude for the support and care she received.

Mortal Remains Transferred From Cuttack To Keonjhar

Angamani Munda, a 34-year-**J**old lady, from Keonjhar suffering from stomach related issues, was admitted to SCB, Cuttack.

Our helpdesk associate Santosh Das, stationed at SCB, Cuttack, attended the patient and helped in the required assistance but unfortunately the patient breathed her last while undergoing treatment. Her family was heart-broken at this untimely loss.

Being under financial stress, they approached Odisha-Mo Parivar seeking help to transfer the mortal remains to their native place.

Santosh helped the family with required assistance during the postmortem, the required documentation work and assisted in making arrangements to transfer the mortal remains from the hospital to their native place in Keonjhar.

Assisted Bus Accident Victims

tragic accident occurred near Jajpur district when a bus travelling from Puri to West Bengal fell off a flyover due to the negligence of the driver. The incident took place at around 9 pm on April 16th.

The bus was carrying about 47 passengers. Sadly, 4 men and a woman died on the spot in the accident and about 40 people were injured. The police and local residents assisted the injured passengers to move to SCB Medical, Cuttack.

Upon receiving the news of the accident, Santosh Kumar Das, our helpdesk associate in Cuttack, rushed to the hospital to provide assistance. Santosh provided the necessary medical assistance to the injured patients and their families.

Shaikh Antu, a 50-year-old man from Balasore suffering from cardiac related issue was admitted to Care Hospital, Bhubaneswar.

Despite the best efforts, the patient couldn't not survive. The family was not financially stable to transfer the mortal remains. They approached Sri Rabindra Sethi seeking help to transfer the mortal remains.

Upon getting the information

from Sri Sethi, Odisha-Mo Parivar team reached the hospital and required arrangements were made to transfer the mortal remains from the hospital to their native place in Balasore.

Assisted In Transferring Mortal Remains

Satish Mishra, a resident of Bhadrak, was working in a private firm in Guwahati. Due to severe abdominal pain, he was admitted to a nearby hospital. Unfortunately, he breathed his last while undergoing treatment due to multiple organ failure.

Somehow arrangements were made to transfer mortal remains from Guwahati to Bhubaneswar by air. However, the family was in need of assistance to transfer the mortal remains from Bhubaneswar to their native place. They approached MLA Sri Sanjeev Mallick to help them.

Upon getting information from Sri Mallick, Odisha-Mo Parivar team reached the airport. The deceased's brother was assisted with the airport procedures and arrangements were made to transfer the mortal remains from the airport to their native place at Bhadrak.

MLA Sri Sanjeev Mallick received the mortal remains at Bhadrak and stood by the family during the last rites.

Supporting A Family In Distress

Saraswati Pujari, a 50-year-old lady from Koraput, was suffering from severe chest pain and was rushed to SLNMCH, Koraput.

Baikuntha Mandal, our helpdesk associate attended the patient and helped her with the required medical assistance starting from getting a doctor's consultation to the prescribed tests. The patient was diagnosed with chronic heart problems and was advised to be shifted to a private hospital immediately for further treatment. The family sought assistance from Baikuntha to facilitate the transfer but just when the arrangements were being made, the patient breathed her last due to a heart attack. The family was in shock and requested Baikuntha to help them in transferring the mortal remains.

Baikuntha assisted the family with the necessary hospital procedures and facilitated the transfer of the deceased's remains from the hospital to their native place.

Supporting The Visually Impaired Family

Kanak Das, a visually impaired elderly woman, was being taken care of by her visually impaired son and daughter-inlaw. Despite their own challenges, they provided the best possible care to her. Due to old-age, Smt. Das started having various health

related issues, necessitating proper medical treatment.

.....

Upon learning about the service being provided by Odisha-Mo Parivar, they approached, seeking help for their mother's treatment. Upon getting information about

MLA Sri Bikram Panda and BJD Leader Sri Bhrugu Buxipatra with the family during the last rites

their situation, our helpdesk associate Girija Sankar Satapathy, was informed to assist them. He met the family and made arrangements for Kanak Das to be shifted to MKCG Hospital, Berhampur. He helped the family in required medical assistance as and when required and maintained a follow-up.

Unfortunately, after undergoing treatment for few months, the patient breathed her last. Kanak's family was intimated about the situation. Being visually impaired it was not easy for them to go through the hospital procedures.

Recognizing the dire need of the family, MLA (Berhampur) Sri Bikram Kumar Panda and BJD leader Sri Bhrugu Baxipatra helped the family with logistical support to transfer the mortal remains to the crematorium and stood by them during the last rites. The family was very thankful for all the help they received during their difficult time.
