3 Migrant workers received at Kolkata Airport

Odisha-Mo Parivar Rescued 3 Odia Migrant Labourers from Saudi Arabia

Stranded migrant workers from Jajpur, Odisha had been to Saudi Arabia to work in a hotel named Shurfat Alhind Indian Restaurant. The five workers were being treated inhumanly by the employer and his son. The employer was not giving them the agreed salary as per the contract and signatures were taken forcefully on payment vouchers.

One of them managed to escape and appealed to the Government to rescue him and his fellow colleagues. Organizational Secretary (BJD) and Jajpur MLA, Sri Pranab Prakash Das upon getting information regarding the case, intimated the same to Odisha-Mo Parivar.

Upon getting the information, the matter was taken-up by Odisha-Mo Parivar. The matter was taken up at the highest level with the Government of India and Dr Arun Kumar Praharaj, who is appointed as the SPOC member by Odisha-Mo Parivar at Bahrain, stepped in to resolve the matter.

Dr. Praharaj co-ordinated with Dr. S. Jaishankar, Honorable External Affairs Minister and the External Affairs Ministry to rescue the migrants from the employer's custody.

Since November 2021, Dr. Praharaj & Odisha-Mo Parivar have been working relentlessly for the rescue, with active participation of Minister of Education, Skill Development Entrepreneurship, Government of India, Sri Dharmendra Pradhan and MP Dr. Sasmit Patra and out of the 5 stranded workers, three were brought back to Odisha in the month of January 2022.

Dr. Arun Kumar Praharaj made logistical arrangements from Dubai to Kolkata and after reaching at Kolkata International Airport, Sri Pramod Mohanty, SPOC member appointed by Odisha-Mo Parivar at Kolkata, made logistical arrangement for them to travel back to their native place in Jajpur, Odisha. Odisha-Mo Parivar is now working on to rescuing the remaining 2 migrant workers from Saudi Arabia.

Mortal remains brought back from Surat to Ganjam

Mortal remains received at Ganjam

Budhia Gouda, a resident of Ganjam district was working at a loom factory in Surat for the last 20 years. The 50-year-old was the only earning member of his family, who unfortunately breathed his last on 8th January due to brain stroke. The bereaved family were helpless and approached Odisha-Mo Parivar

to bring back the mortal remains. Upon getting the information, Odisha-Mo Parivar coordinated with Sri Pradeep Sahoo, appointed as SPOC member at Surat, who made necessary arrangements to transfer the mortal remains from Surat to their native place at Ganjam.

Mortal remains brought back from Vishakhapatnam

Sudarsan Mallick, 62-year-old of Sanekhamundi, Ganjam lost his life on 6th January 2022, at Tuni Railway station, while travelling from Maharashtra to his native place at Ganjam. The mortal remains was in custody of the GRP, Tuni and they intimated the family members regarding the same. The family were in helpless situation, as they did not have a clue on how bring back the mortal

remains from the station. This matter came into the notice of the Honourable CM's office, which was further intimated to Odisha-Mo Parivar. The matter was taken up and logistical arrangement was made to transfer the mortal remains from the railway station to Sanakhemundi. Former MLA of Sanakhemundi Smt Nandini Debi stood by the bereaved family during the last rites.

Mortal remains received at Sanekhamundi, Ganjam

Financial assistance provided to a patient

Patient being provided financial aid at Apollo Hospital

B Baburao, a 55-year-old resident of Ganjam district had undergone heart surgery at Apollo Hospital, Bhubaneswar in June 2021 under the BSKY scheme.

During his routine check-up in the month of January 2022 at General OPD, he was detected with very high cholesterol, where the doctor immediately advised certain injections and medicine for the patient.

BSKY couldn't be availed for those injections, since the patient was not admitted and had been to the hospital for doctor's consultation only. The family was unable to bear the expense for those injections & medicine, due to financial constraints.

Upon getting the information, Odisha-Mo Parivar team immediately reached the hospital and provided financial assistance to the family to get the required injections and medicines for the patient's treatment.

Logistical arrangement made to shift a cancer patient

Cancer patient shifted from Bhubaneswar to Gajapati

64-year-old Talada Kundana, a cancer patient of Garabandha, Gajapati district was undergoing treatment at Hi-tech hospital, Bhubaneswar.

The doctor discharged the patient, mentioning that no further treatment is needed for the patient. The patient had no one in his family other than his only daughter, who was in helpless situation, since she was unable to arrange an ambulance to return to their native place. Upon getting the information, Odisha-Mo Parivar made logistical arrangements to shift the patient from Hi-tech hospital to Gajapati and the entire process was coordinated by Jeevan Bindu coordinator Smt. Indira Patnaik.

Mortal remains of Odia youth brought back from Bangalore

Subindar Dalai, a resident of Bhubaneswar was working at a Finance company at Bangalore. The 22-year-old youth suffering from severe abdominal pain was admitted to a nearby hospital on 15th January 2022. Unfortunately, he breathed his last on 19th January while undergoing treatment at the hospital. The bereaved family who were under financial burden were seeking help to bring back the mortal remains of their son.

Odisha-Mo Parivar upon getting the information from OMP Member and MLA Sri Ananta Narayan Jena, made logistical arrangements to transfer the mortal remains from Bangalore to Bhubaneswar and also stood by the family during the last rites.

Mortal remains received at Bhubaneswar

Major Interventions through Helpdesks

1. Rare Blood Cases

Roshan Saraf, a differently-abled youth of Sambalpur was admitted to AIIMS, Bhubaneswar for his spinal cord surgery.

Our helpdesk associate Somnath stationed at the hospital helped the patient in all required medical assistance and also arranged one A-ve donor for the patient required during the treatment.

Somnath Attending the patient at AIIMS

Bikash handing over blood to the patient's attendant

Hagura Behera, a 71-year-old resident of Bhadrak district was admitted to Capital Hospital, Bhubaneswar due to weakness.

Our helpdesk associate Bikash maintained a follow-up with the patient and as per the doctor's advice, also arranged 2 units of rare AB+ve blood required for the patient.

Mirja Hansda, a 58-year-old resident of Mayurbhanj was admitted to PRMMCH, Baripada for his surgery.

Our helpdesk associate Asish maintained a regular follow-up with the patient and also arranged one AB+ve donor for the patient required during the course of treatment.

Asish handing over blood to the patient's attendant

Sandeep handing over blood to the patient's attendant

Divyajyoti Jena, a 6-year-old boy of Bhadrak district was admitted to SCB, Cuttack for his treatment.

There was an urgent need of rare B-ve blood for the patient and they came in contact with our helpdesk associate Sandeep Rath, who arranged one unit of rare B-ve blood for the patient.

Arpita Das, a 7-year-old girl of Subarnapur district was admitted to SCB, Cuttack for her treatment.

During the course of her treatment, there was an urgent need of rare A-ve blood. Our helpdesk associate Sandeep Rath after getting the information, arranged one unit of rare A-ve blood for the patient.

Sandeep Handing over the blood to the patient's attendant

Akash under treatment at Baripada Hospital

Akash Behera, a 4-year-old sickle cell patient of Betnoti, Mayurbhanj district was admitted to PRMMCH, Baripada for his treatment.

There was an urgent need of rare B-ve blood for the patient, which the family member were unable to arrange. Our helpdesk associate Asish Rana after getting the information, arranged one unit of rare B-ve blood for the patient.

Ulasha Rout, a 37-year-old resident of Kalahandi, suffering from urological complications was admitted to VIMSAR, Burla.

During the course of her treatment, there was a dire need of rare AB+ve blood. The attendant of the patient approached our helpdesk associate Dharendra Suna, who arranged one unit of rare AB+ve in the nick of time.

Patient's attendant after receiving blood

Sandeep Handing over the blood to the patient's attendant

Swarnalaxmi Mohapatra, a resident of Cuttack was admitted to SCB, Medical College & Hospital, Cuttack for her surgery.

During the surgery, there was a dire need of rare B-ve blood. The patient's family were unable to arrange the blood. Upon getting the information, our helpdesk associate Sandeep Rath, arranged one unit of rare B-ve in the nick of time.

2. Going the extra miles

Hansa Naik, a 62-year-old woman of Barabandha suffering from Typhoid, was admitted to DHH Bhawanipatna.

Our helpdesk associate Himanshu Naik maintained a regular follow-up with the patient and also arranged one unit of blood from the blood bank as well as a donor for the patient.

Himanshu attending the patient

Somnath attending the patient

Gangadhar Pasayat, a 37-year-old brain tumor patient residing in Bargarh district was admitted to AIIMS, Bhubaneswar.

His surgery was held up, since his family members were unable to arrange the required blood for the patient. Our helpdesk associate Somnath after getting information, helped the family in required medical assistance and also arranged 2 units of A+ve blood for the surgery.

Malati Hansdah, a 26-year-old lady of Mayurbhanj district was admitted to PRMMCH, Baripada due to severe abdominal pain.

She was suffering from Menorrhagia, due to which there was an urgent need of blood transfusion. The patient's attendant was unable to arrange it. Upon noticing it, our helpdesk associate Asish Rana immediately arranged one donor for the patient.

Asish handing over the blood to the patient's attendant

Unidentified Infant under treatment at VIMSAR

An unidentified new born baby was admitted to VIMSAR, Burla by a local NGO with congenital heart disease.

Our helpdesk associate Dharendra Suna took the responsibility of ensuring proper treatment of the child till the child recovered and later arranged for transferring the child to the Child care unit, Sambalpur with proper protocols and paper work.

3. Treatment under BSKY

Dahimati Gouda, a 50-year-old resident of Gudialipadar who was suffering from gynaecological issues was admitted to DHH Bhawanipatna.

The doctor advised to shift her to a private hospital for surgery. Our helpdesk associate Himansu Naik helped her in all medical assistance and also helped in all documentation process for the surgery under BSKY scheme.

Himansu attending the patient

Somnath attending the patient

Sanjay Kar, a 32-year-old brain tumor patient was admitted to AIIMS, Bhubaneswar.

Our helpdesk associate Somanth Swain took utmost care of the patient, since the patient was mentally disturbed. He helped the attendant in all documentation process for treatment under BSKY scheme.

Kuthartha Sahoo, a 45-year-old stomach cancer patient of Nayagarh district was undergoing treatment at SUM, Hospital.

Our helpdesk associate Siba Prasad Rout enrolled the patient under the BSKY scheme for treatment and maintained a regular follow-up with the patient. He also arranged 2 units of rare B-ve blood for the patient required during the course of treatment.

Patient under treatment at SUM Hospital

Logistical arrangement made to transfer mortal remains from PRMMCH, Baripada to Kaptipada

Logistical Arrangement

Kuni Singh, a resident of Kaptipada, Mayurbhanj district, suffering from kidney related issues, was admitted to PRMMCH, Baripada.

Unfortunately, the 65-year-old patient breathed her last during the course of treatment. Our helpdesk associate who had been maintaining a follow-up with patient earlier, made logistical arrangements to transfer the mortal remains from the hospital to their native place.

UNsung HERO

HAV SIMANCHAL BARIK

Government property from theft, sabotage and fire risk as well as commanding the guard on duty.

During his tenure, he was honoured as the best Physical Trainer, and awarded with the “Chief of Army Staff Commendation Card”, which is awarded for individual acts of gallantry or distinguished service or devotion to duty performed.

He took retirement and came back to his native place with the aim of fulfilling the dreams of aspiring candidates to join the defence force.

Since 2020, this Ex-defence personnel has been instrumental in providing overall guidance and free physical training with a special focus on athletics and games for all aspiring candidates. Due to his efforts, more than 500 candidates have cleared the Army Physical Test in Army Air Defence Centre, Gopalpur.

At present, he also gives free training for physical fitness and weight loss management and people from all over the State and from the other parts of the country visit his academy in his native place to get trained under him.

His dedicated contribution to the nation during his tenure in the defence sector and even post retirement, in building upcoming Jawans for the nation have been highly appreciated by everyone.

Accolades to our Helpdesk Associate

Sandeep Rath, Odisha-Mo Parivar Helpdesk Coordinator at SCB Medical College Hospital, Cuttack, was felicitated as COVID WARRIOR on the occasion of 73rd Republic Day by Cuttack District Administration in the presence of Hon'ble State Minister Shri. Bikram Keshari Arukha & Cuttack Collector Shri. Bhabani Shankar Chayani. He is a Real Hero for giving a new lease of life to others. Being the helpdesk associate of Odisha-Mo Parivar he has always stood by the needy people in the hospital and addressed their issues in the best possible way.

Helpdesk associate Sandeep Rath being felicitated

Preparatory Meeting for proposed Organ Donation camp on 5th March

Preparatory meeting of Organ Donation Camp

Whether standing by the distressed and needy people from Odisha across the globe, ensuring timely availability of blood, achieving milestone in blood collection through Jeevan Bindu or assisting the patients through help desks at various hospitals, Odisha-Mo Parivar has been serving the society with utmost dedication. Expanding its vertical towards the wellness of the society, Odisha-Mo Parivar initiated health check-up

camps and organized free eye check-up camp at Bhubaneswar and free dental check-up camp at Jagatpur, Cuttack. Further as a part of community service, Odisha-Mo Parivar has proposed to organize organ donation camp on 5th March 2022, where people can pledge for their organ donation.

A preparatory meeting was organized which was presided by Dr Pravas Acharya, President, Body and Organ Donation Society of India, Sri Rudra Narayan Samantaray, Joint Secretary (Odisha-Mo Parivar) and Sri Ranjan Biswal, Jeevan Bindu Cuttack city coordinator.

Interested personnel for donating their organ, can visit Odisha-Mo Parivar headquarters or contact in the helpline numbers for further details. (8917400700/ 8917400701)

Odisha-Mo Parivar's Cancer Care Interventions

Odisha-Mo Parivar in association with Konark Cancer Foundation, assists cancer patients in logistical, emotional and financial aspects while helping them at Tata Memorial Hospital, Mumbai, once they are referred. It always takes care of the needy patients who are getting treated for cancer. In the month of January, Odisha-Mo Parivar addressed 24 cancer cases. Out of which 7 cases were referred to Tata Memorial Hospital, Mumbai and 4 patients were helped in online second opinion.

Patient under treatment at Capital Hospital

1 Dali Sahu, a 43-year-old patient suffering from Malignant Melanoma of Rectum, is undergoing treatment at Capital Hospital Bhubaneswar. She was helped in getting 2nd Opinion Teleconsultation Services at Tata Memorial Hospital, Mumbai and also a regular follow-up is being maintained with the patient.

Patient receiving artificial breast prosthetics

2 Mahalaxmi S (53) suffering from Breast Cancer is presently undergoing treatment at Apollo Hospital, Bhubaneswar. The patient has been helped in getting 2nd Opinion Teleconsultation Services at Tata Memorial Hospital and has been provided with artificial Breast Prosthetics by Konark Cancer Foundation.

Patient under treatment at TMH, Mumbai

3 Debasmita Tripathy (44) suffering from Ovarian Cancer is presently undergoing treatment at Tata Memorial Hospital, Mumbai. The patient has been helped in getting affordable accommodation near the hospital and a continuous follow-up is being maintained with the patient.

Patient receiving artificial breast and hair wig

4 Ratna Sethy (42) suffering from Breast Cancer is presently undergoing treatment at Capital Hospital, Bhubaneswar. She has been provided with artificial Breast Prosthetics by Konark Cancer Foundation and a continuous follow-up is being maintained with the patient.

Prosthetics

by Odisha-Mo Parivar

Barju Purty, a resident of Mayurbhanj had met with an accident when he was 5 years old. He suffered severe injuries on his right leg. His leg had to be amputated in his childhood and he had not availed prosthetics till date.

After getting information through our helpdesk associate Asish Rana stationed at PRMMCH Hospital, Baripada, the case was taken up and Mr. Barju Purty was facilitated with prosthetics in coordination with Artificial Rehabilitation Centre (ARC) at Capital Hospital, Bhubaneswar.

Ranjan Soren, a resident of Mayurbhanj district had met with an accident, where he suffered severe injuries on his right leg. Unfortunately his leg was amputated below the knee after the accident.

He had approached our helpdesk associate Asish Rana, who further helped in all required assistance in the process of availing prosthetics at the Pandit Raghunath Murmu Medical College and Hospital, Baripada.

Finally Ranjan could walk without crutches and has expressed his gratitude for the selfless service of our helpdesk associate Asish and Odisha-Mo Parivar.

Prosthetics

by Odisha-Mo Parivar

Sunita provided with Tricycle

Sunita Sethy, a 28-year-old girl suffering from Para paresis (partial paralysis of both legs) since her childhood was dependent on tricycle for her daily movements.

The one she had been using was completely damaged and she had approached Odisha-Mo Parivar seeking help to get one new tricycle. Upon getting the information, Odisha-Mo Parivar immediately facilitated in the process of providing a tricycle to Ms. Sunita in coordination with ALIMCO, Bhubaneswar.

The entire process was done in coordination with Sri Trilochan Sahoo, who himself is differently-abled and associated with Odisha-Mo Parivar to help the needy people.

Ahalya Majhi, a 34-year-old lady of Bhawanipatna, had met with an accident 5 years ago, where she suffered injuries on her left leg. The injury turned septic and the infection started to spread due to which her leg was amputated.

During a hospital visit at DHH, Bhawanipatna, our helpdesk associate identified her. She had been using a locally made artificial leg, but was not comfortable with that.

Our helpdesk associate helped her in all required medical assistance as well as in the process of availing prosthetics at the DDRC (District Disability Rehabilitation Centre), Bhawanipatna.

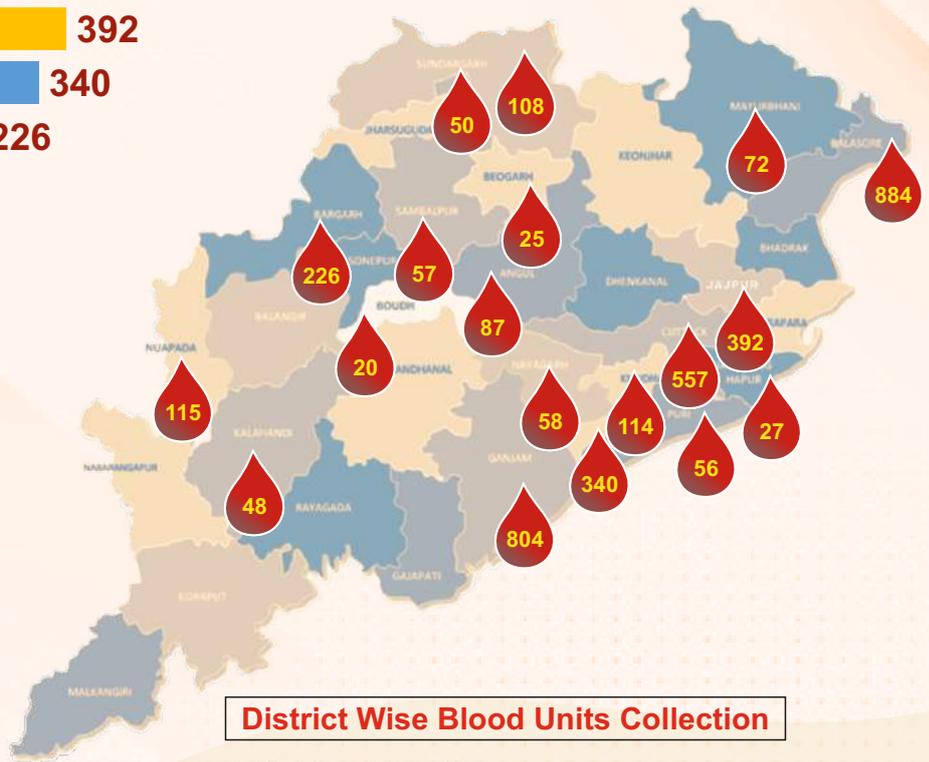

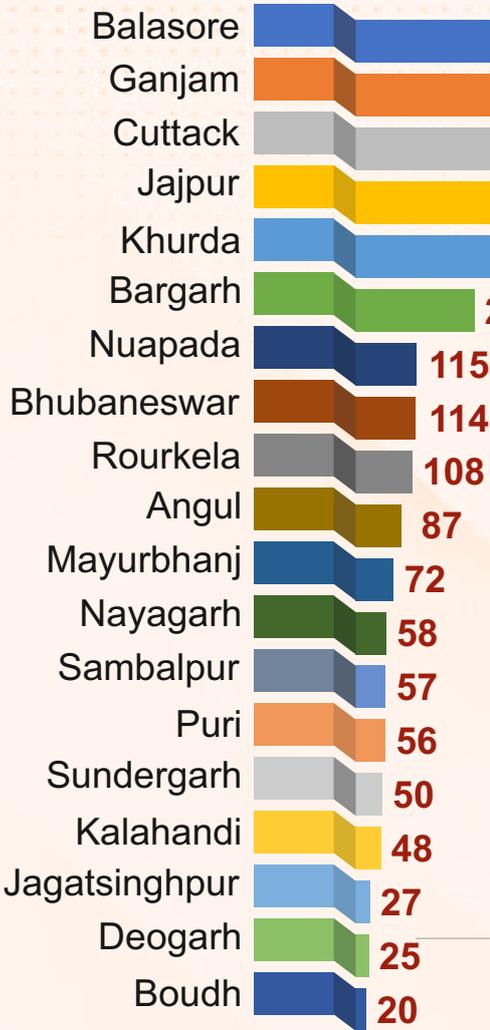

Himansu attending the patient

JEEVAN BINDU BLOOD DONATION PROGRAM

Defying the odds Jeevan-Bindu program has been at the forefront in conducting blood donation camps throughout the State, thus saving precious lives and maintaining proper blood

stock at various blood banks etc. In the month of January, **4010** units were collected from various blood donation camps.

Feedback...

Rajendra Mallick
7064126558, Konark

I had taken my brother to DHH, Puri who had met with an accident. I thank Odisha-Mo Parivar helpdesk associate Biswo, who helped me in all required navigational help at the hospital.

Soumya Pradhan
9938391575, Cuttack

I was suffering from abdominal pain and had been to SCB, Cuttack for check-up. I am extremely happy that Sandeep (helpdesk associate) helped me in getting doctor's consultation.

Prasanna Sahoo
7735301856, Sambalpur

I had been to VIMSAR, Burla for for doctor's consultation. I would thank Dharendra who helped me in getting doctor's consultation, getting all test done and medicines from the counter.

Bharati Mohapatra
7008265284, Puri

I had taken my mother to DHH, Puri who was having infection in the ear. I am glad that Biswo helped us at the hospital in getting doctor's consultation, assisting us for doing some tests and getting medicines from the counter.

Alok Das
9938634721, Subarnapur

My 7-year-old daughter was admitted to SCB, Cuttack and was in need of A-ve blood which I was unable to arrange. I thank Odisha-Mo Parivar helpdesk associate Sandeep who helped me in arranging 1 unit of A-ve blood for my daughter.

Basanti Behera, Betnoti
9937893429, Mayurbhanj

There was an urgent need of rare B-ve blood for mu grand son who is a sickle cell patient, which I was unable to arrange. I am thankful to Bikash Behera (Helpdesk associate) who helped in arranging one unit of rare B-ve blood in the nick of time.

Ramani Malhar
7381622503, Mayurbhanj

My cousin was admitted to PRRMCH, Baripada for his treatment and there was need of blood which I was unable to arrange. I thank Asish Rana (Helpdesk associate) who helped in arranging blood for my cousin.

Smruti Mohapatra
6370174670, Cuttack

My wife was admitted to SCB, Cuttack for her surgery and there was need of rare B-ve blood required during the treatment. I thank Sandeep Rath (Helpdesk associate) who helped in arranging blood for my wife's surgery.

Mirja Hansda
9827044789, Mayurbhanj

I had admitted my father to PRMMCH, Baripada for his surgery. I thank helpdesk associate Asish, who helped me in arranging rare blood for my father's surgery.

Sanatan Giri
8328833544, Bhadrak

My nephew was admitted to SCB, Cuttack for treatment where there was an urgent need of rare B-ve blood due to low haemoglobin. I would thank Sandeep who immediately arranged blood for my nephew.
