IN 41 MONTHS COLLECTED

40000
Units of Blood
In 2023 more than 1 Lakh Units of Blood

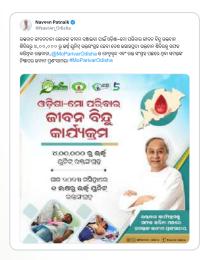

4 Lakhs Units Achieved In 41 Months

Another Milestone of Odisha-Mo Parivar

disha-Mo Parivar's Jeevan Bindu program is a beacon of hope, ensuring a lifeline for critical patients, accident victims, and those in need.

The Jeevan Bindu program came under the patronage of Odisha-Mo Parivar on August 9, 2020. With the primary goal of meeting emergency

blood requirements and saving lives, blood donation camps are organized across the state, maintaining adequate blood stocks at all 56 blood banks.

The target is to collect 1 lakh blood units annually and the Jeevan Bindu program consistently achieves its yearly targets. Thanks to the dedicated efforts of the senior leaders, blood bank officers, organizers, Jeevan Bindu coordinators, stakeholders etc. Odisha-Mo Parivar has collected over 4,00,000 units of blood in a span of 41 months (9th August 2020-23rd January 2024).

Odisha-Mo Parivar expresses gratitude to all blood donors for their contributions, making this blood collection program a remarkable success. The organization is committed to continuing this service, aiming to support people during their challenging times.

EYE CHECKUP CAMP BY ODISHA-MO PARIVAR

Accident victim assisted for treatment under BSKY scheme

Sandeep Mohapatra, a resident of Patakura, Kendrapda had met with an accident and was admitted to a nearby hospital for emergency treatment. The family approached Sri Deepak Mohapatra, Joint secretary, BYJD, seeking help to shift Sandeep to SUM Hospital, Bhubaneswar for further treatment.

Upon getting information from Sri Mohapatra, Rashmi Ranjan Pradhan, our help desk associate at SUM discussed with the family and made required arrangements for admission of the patient under the BSKY scheme. He maintained

a follow-up with the patient and helped with the required assistance at the hospital. MLA Smt. Sabitri Agarwalla's representative, Sri Sanjay Agarwalla also reached the hospital to attend the patient. After recovery, Sandeep and his family expressed their gratitude to the Hon'ble Chief minister and Odisha-Mo Parivar.

Assisting the victims of the bus accident

More than 30 passengers suffered injuries after a private bus and a truck collided in Nischintakoili area on 2nd January morning around 8 am. According to police, the unfortunate incident happened due to dense fog.

The bus carrying more than 40 passengers, was travelling towards Cuttack from Chandabali, when it met with the accident.

The injured passengers were admitted to Nischintakoili Hospital and later shifted to SCB, Cuttack in late evening. Santosh

Das, our helpdesk associate in Cuttack rushed to the hospital after getting to know about the

situation and helped the injured patients and their family in the required medical assistance.

Mortal Remains Transferred To Kendrapada

Bhagirathi Beura, a 43-yearold resident of Tarapur, Kendrapada, suffering from liver jaundice was undergoing treatment at SCB, Cuttack.

Unfortunately, he breathed his last while undergoing treatment. The family, which was under financial stress, approached Odisha-Mo Parivar seeking logistical help to transfer the mortal remains. Immediately, Santosh Kumar Das, our helpdesk associate stationed at SCB, Cuttack, was guided to reach out to the family.

Santosh helped the family with required assistance during the postmortem and required documentation work and assisted in making logistical arrangements to transfer the mortal remains from the hospital to their native place in Kendrapada.

.....

Support provided to bereaved family

Birendra Sandhu, a 28-yearold resident of Jharsuguda, visited VIMSAR, Burla, for a health check-up. He was admitted to the medicine ward, where subsequent tests revealed that he was suffering from multiple health issues.

The patient was to be shifted to ICU and Dhirendra Suna, our helpdesk associate, promptly arranged for a bed in ICU. Unfortunately, Birendra passed away during treatment. The family, facing financial constraints, reached out to District Vice President Sri Ashok Kumar Mahakud for assistance in transporting Birendra's mortal remains to their native place in Jharsuguda for the final rituals.

Upon getting the information through Sri Mahakud, Dhirendra reached out to the family. He helped them in the required procedure during the postmortem and facilitated the transfer of the mortal remains from the hospital to their native place.

Extending kindness to a Needy person

Aman was found sleeping outside the medical premises of PRMMCH, Baripada, by our helpdesk associate Subham Bhatta. He promptly took the man to the casualty department where doctors assessed his condition. The person was immediately admitted and Subham helped in the required medical assistance. After all the tests and being under observation for a day, the patient was diagnosed with chronic kidney disease.

The doctor referred the patient to SCB Medical, Cuttack for further treatment. To ensure seamless transfer, Subham made the required logistical arrangements to shift the patient to Cuttack. He also intimated our helpdesk associates at SCB, Cuttack to attend to the patient.

Odisha-Mo Parivar Aid for Sahil's Family

A 14-year-old boy named Sahil Takri drowned while swimming with his friends at a river near Koraput. After being rescued by the locals, he was taken to SLNMCH, Koraput. Baikuntha Mandal, our helpdesk associate stationed at the hospital attended the family and helped during the emergency treatment.

Later, as per the doctor's advice, Sahil was transferred to Medicover Hospital in Visakhapatnam for further treatment and Baikuntha helped the family in the required assistance. He also discussed the matter with Prakash Behera, our helpdesk associate in Visakhapatnam.

Prakash attended Sahil and helped in the procedure for admission. Unfortunately, Sahil passed away during the course of the treatment. Upon the request of the family, Prakash facilitated the logistical arrangements to transfer Sahil's mortal remains to native place in Koraput, supporting the grieving family.

Condolence on the demise of a theatre artist

Ramamani Das, a 32-year-old artist from Dasapalla, while traveling to Nayagarh via bus, felt uneasy and was taken to a nearby hospital by her co-artists. After undergoing emergency treatment, she was immediately referred to Capital hospital, Bhubaneswar but unfortunately breathed her last on the way due to a cardiac arrest.

She was the sole earning member and left behind her blind mother. Being in a state of helplessness, R a m a m a n i's co-artists approached Sri Prabir Mohanty (BJD cultural wing) seeking help to transfer the mortal remains. Sri Mohanty discussed the matter with Sri Rudra Samantaray & Sri R K Hiralal, Secretary, Jatra Kalakara Sangha, Odisha.

Upon getting the information through Sri Samantaray, our helpdesk associate Jyoti Ranjan Pradhan was intimated to reach out to the family.

Jyoti immediately reached the hospital and assisted during the postmortem and required hospital procedures. He also helped in making logistical arrangements to transfer the mortal remains from the hospital to their native place in Daspalla.

The co-artists expressed their gratitude for standing by them and supporting the grieving mother during the time of need.

Odisha-Mo Parivar Aids in last Rites for a Homeless Man

Aman wandering in the streets of Kotpad was noticed by the locals, who recognized the need of medical assistance and admitted him to a nearby hospital. The person was diagnosed with neurological disorder and was shifted to SLNMCH, Koraput for

further treatment. Unfortunately, on 7th January he breathed his last while undergoing treatment. Since, there were no claimants, the body was kept in the morgue and the case was reported to the police.

Upon getting information from the police, Baikuntha Mandal, our helpdesk associate reached the hospital. He tried his best to gather details about the deceased. The deceased was identified to be Rameswar Sadangi, a resident of Jeypore. Also, his daughter was located who reached the hospital and identified her deceased father.

Upon the request of the deceased's daughter, Baikuntha made logistical arrangements to transfer the mortal remains from the hospital to the crematorium. The last rites were conducted and Baikuntha coordinated the process.

Mortal remains transferred to Puri

Trusingha Nayak, a 50-yearold resident of Puri suffering from chest pain was undergoing treatment at Capital Hospital, Bhubaneswar.Our helpdesk associates Alok Ranjan Sahoo and Jyoti Ranjan Pradhan attended the patient and helped with the required medical assistance but unfortunately, Nrusingha breathed his last due to cardiac arrest. The bereaved family was under financial stress to transfer the mortal remains and upon knowing about it, our helpdesk associates helped in making logistical arrangements to transfer the mortal remains from the hospital to their native place in

Puri. The family expressed their gratitude to Alok and Jyoti for standing by them in their time of need.

Logistical arrangement made to transfer mortal remains

Laxmipriya Jena, a 16-yearlold girl of Jamalgoda, Puri, had consumed poison and was shifted to Capital Hospital, Bhubaneswar for treatment. Unfortunately, she breathed her last on the way.

The family was devastated after the demise of their only daughter. This case came to the notice of a media person who intimated it to Shri Rudra Samantaray (Joint Secretary, Odisha-Mo Parivar). Upon getting information from Sri Samantaray, our helpdesk associates Jyoti Ranjan Pradhan and Alok Ranjan Sahu reached out

to the family and helped in the required hospital procedures. As per the request of the family, logistical arrangements were also made to transfer the mortal remains to their native place in Puri for the last rites.

Helping Hand Extended in Times of Loss

Ajay Kumar Das, a 51-year-old resident of Jagatsinghpur, suffering from throat cancer was undergoing treatment at Acharya Harihar Regional Cancer Centre, Cuttack.

Despite the doctors' dedicated efforts, Ajay unfortunately did not survive. The grieving family sought assistance from Sri Surendra Nath Mohapatra, Advisor (NRO) Odisha-Mo Parivar, to facilitate the transfer of the deceased's mortal remains.

Upon getting the information, Sri Mohapatra discussed the matter with the Convener and immediately, Santosh Kumar Das, our helpdesk associate stationed at SCB, Cuttack was guided to reach out to the family.

Santosh promptly arrived at the hospital and assisted the family with necessary hospital procedures. He also helped the family in making logistical arrangements to transfer the mortal remains from the hospital to their native place in Jagatsinghpur.

Mortal Remains Transferred From Cuttack To Jagatsinghpur

Surendranath Khuntia, a 69year-old resident of Kunimul village of Jagatsinghpur district, suffering from gastrointestinal disease, was admitted to SCB, Cuttack.

He was advised for a surgery. Our helpdesk associate Santosh Kumar Das attended the patient and helped with all the required assistance during the course of the treatment and during the surgery.

Unfortunately, after undergoing treatment for few days, Surendra couldn't survive. The family was under financial burden and approached Santosh to support them in making logistical arrangements.

Logistical arrangements made to transfer mortal remains

Santosh ensured in making the required logistical arrangements for the family to return to their native place in Jagatsinghpur.

ASSOCIATE OF THE MONTH

Baikuntha Mandal

The helpdesk associates stationed at major hospitals of the state are the frontline staffs of the organisation who play a major role to fulfil the vision of the organization by helping the needy people at the hospitals.

Apart from helping them with the required medical assistance, they stand by the patient and the family, providing moral support during their difficult times.

This month, helpdesk associate Baikuntha Mandal, stationed at Saheed Laxman Nayak Medical College and Hospital (S.L.N.M.C.H), Koraput has been awarded the title of "Associate of the month".

On the eve of 75th Republic Day celebration, Jeevan Bindu Blood donation camps were organised at Cuttack, Ganjam, Bargarh, Jajpur and Kalahandi, where a total of **1390** units were collected.

Other than that our Helpdesk Associates enthusiastically engaged themselves in community service programmes.

Baikuntha Mandal, our helpdesk associate at SLNMCH, Koraput, in addition to his regular responsibilities at the hospital, is also socially active and has consistently provided voluntary assistance to the people in need. On this 75th Republic Day celebration, he spent quality time with the specially-abled kids at Drusti Badhita Vidyalaya in Koraput. Baikuntha shared sweets and meal to the kids and witnessed their remarkable talents in dancing, singing and acting on the occasion.

NIBEDITA LENKA

Mrs. Nibedita Lenka, popularly known as "Yasoda Maa" in Odisha, has created her own identity through social service. Born to a traditional family in Ranapur and overcoming societal barriers, she pursued higher studies after completing high school and obtained a Bachelor's degree in Arts.

Her journey began when she learned about three orphaned children through social media. This incident motivated her to not only ensure their survival but also take responsibility for their education and future. This

marked her transformation from a devoted housewife to a nurturing mother figure for many orphaned children.

She recognized the enduring educational challenges for

underprivileged children due to poverty and remote locations. Witnessing these issues, she decided to personally aid students hindered by financial and familial obstacles. "Education is an effective tool for improvement and every child deserves the right

99

In my life, whatever I have done is all because of the support received from my family. I admire our Hon'ble Chief Minister Sri Naveen Patnaik and my biggest dream is to meet him in person and seek his blessings

- Nibedita Lenka

to get proper education" and hence Smt. Lenka has dedicated herself for this cause. Establishing five "Barnabodh Pathshala" centers, she has been offering moral education to slum kids. Empowering Women with skills for independence is also another activity she carries out. She visits different slums and identifies children who are interested in education and makes every effort to provide them with proper education. In her 20-year journey, she has positively impacted the lives of over 400 children.

Her commitment has not only provided a better life for these children but also contributed to the success of many students who have gone on to become high-ranking officials.Mrs. Lenka has also pledged to donate her body as she believes that it can be used in the form of help to the needy people. She has organised a lot of Blood Donation Camps & has also

given blood in the time of need.In recognition of such a great thought, Odisha-Mo Parivar honoured Mrs. Nibedita Lenka as the 'Unsung Hero' and extends warm wishes for the future ahead.

There was need of blood for my son, suffering from blood cancer, at AIIMS, Bhubaneswar. I would like to thank Somnath (Helpdesk associate) who himself donated blood for my son and helped with the required assistance at the hospital.

My brother who had met with an accident, was admitted to SCB, Cuttack but unfortunately breathed his last during the course of treatment. I would like to thank Santosh (helpdesk associate) who helped in making logistical arrangements to transfer the mortal remains.
