Eye check-up camp at Bhubaneswar

## Eye Camp by Odisha-Mo Parivar

With an attempt to help the needy people, Odisha-Mo Parivar is going to organize eye check-up camps at various places in the city. Starting from the month of November eye check-up camps were proposed to be

glaucoma, vision issues were examined.

The camp was planned in a proper manner keeping into consideration the proper check-up of each and every attendee in the camp. A survey was conducted

a week before the camp to identify beneficiaries requiring check-up. Not only elders but the young mass were also encouraged to attend the camp. Tokens to the attendees and leaflets were distributed mentioning the details regarding the check-up

which was helpful in conducting the camp in a hassle-free manner avoiding chaos among the attendees.

More than 90 people attended the camp, out of which 30 cases were identified and advised for surgery at LV Prasad Eye Institute free of cost. 47 attendees were identified requiring eye-glasses who were

organized in collaboration with LV Prasad Eye Institute, Bhubaneswar.

On 28<sup>th</sup> November an eye check-up camp was organized at Birsa Bhawan, Nilachakranagar, Salia Sahi, Bhubaneswar, which was coordinated by Smt. Bharati Singh (Corporator), where mainly cataract, black cataract,

Contd...P-2

**Eye check-up camp at Cuttack**

provided with their prescribed glasses from Odisha-Mo Parivar. Few of the beneficiaries were provided with eye drops on the spot.

The surgeries were scheduled for the attendees soon after the camp, as per the availability of the beneficiaries. Logistical arrangements was made by Smt. Bharati Singh for the beneficiaries to reach at LV

Prasad Eye Institute.

Similarly, another eye check-up camp was organized at Town Hall, Cuttack which was coordinated by Sri Ranjan Biswal, Jeevan Bindu coordinator (Cuttack city). More than 70 people attended the

camp, where 23 cases were identified and advised for surgery at LV Prasad Eye Institute free of cost.

The attendees expressed their gratitude for organizing such camps in their locality which was really helpful for them as they have been neglecting their health and had not visited hospital since long for their check-up.

## **Jhoti Competition by Odisha-Mo Parivar**

**W**ith the legacy to promote Art & Culture and to bring back the cultural glory of the state, Odisha-Mo Parivar has been organizing Jhoti competitions among ladies and children on Thursdays at various places of the city.

A competition was organized on 22nd December at Kalyan Mandap, VSS Nagar, Bhubaneswar which witnessed an overwhelming participation of more than 90 participants including ladies, elderly women, school and college students.

Apart from awarding the top 3 winners, complimentary prizes and certificates were presented to

all the participants in the competition.

Odisha-Mo Parivar will continue to organize such events with an aim of preserving and promoting the age-old culture of Odisha in near future.

## Family Receives Help To Transfer Mortal Remains

Mortal remains transferred to native place

**S**esadev Moharana, a 65-year-old resident of Kendrapara, suffering from chest infection, was admitted to SCB, Cuttack.

Unfortunately, he lost his life during the course of the treatment. The family was under financial stress to transfer the mortal remains from the hospital to their native place at Kendrapara and approached

MLA Smt. Sabitri Agarwalla seeking help for the same.

She intimated the matter to Odisha-Mo Parivar and soon our helpdesk associate Santosh Das, stationed at SCB, Cuttack was guided to attend the family and arrangements were made to transfer the mortal remains from the hospital to their native place at Kendrapara

## From hospital to crematorium for the last rites

During the last rites at Puri

**P**anua Bhoi, a 65-year-old resident of Puri, was admitted to SCB, Cuttack. Unfortunately, he lost his life during the course of the treatment. The family was not aware about the procedures after death and were under financial stress to transfer the mortal remains. They approached Sri Stalin Parija, Joint coordinator (Jeevan Bindu) seeking help for the same.

Upon getting the information from Sri Parija, our helpdesk associate Santosh Das, stationed at SCB, Cuttack was guided to attend the family. He assisted the family in the required medical procedures and arrangements were made to transfer the mortal remains from the hospital to Puri.

Sri Stalin Parija stood by the family during the last rites at Puri.

## Mortal Remains Transferred From Cuttack To Kendrapara

Mortal remains transferred to native place

**A**n unfortunate incident happened on the last day of the year 2022, where Gouri Nath, a 38-year-old resident of Kendrapara, was admitted to SCB, Cuttack for her delivery but lost her life during the delivery process. The family who was awaiting to celebrate the New Year with a good news, got devastated by the fact of losing Gouri during the delivery process. The family was under financial stress and approached Odisha-Mo Parivar seeking help to transfer the mortal remains from the hospital to their native place at Kendrapara. Upon getting information, our helpdesk associates Santosh Das & Sandeep Rath stood by the family and coordinated in making required arrangements to transfer the mortal remains from the hospital to their native place at Kendrapara.

## Last rites of 2 unattended and unidentified bodies by Odisha-Mo Parivar

Last rites of the unattended bodies at the crematorium

**O**disha- Mo Parivar extended support for the last rites of two unidentified bodies recovered by the Bhubaneswar Commissionerate Police. It is worth noting that on 11th December, an unidentified body was recovered by the police near Bhimeshwar Temple, Bhimtangi under the Airfield police station.

Similarly, a dead body of a 50-year-old woman was recovered

near Janla over bridge under Info Valley police station. The two dead bodies were kept in the mortuary for few days and public information was given, but no claimant came forward. Later, the police contacted Sri Rudra Narayan Samantaray, joint secretary Odisha-Mo Parivar for the last rites of the unidentified bodies.

Sri Samantaray discussed this matter with the Convener, Odisha-Mo Parivar.

As per the instruction, the bodies were taken to the Satyanagar crematorium through Jai Odisha's hearse vehicle 'Sesha Saathi', where the last rites were performed by the police and Odisha-Mo Parivar team.

Mortal remains received at native place

## Odisha-Mo Parivar coordinated in bringing back mortal remains from Raipur to Nuapada

**P**remananda Harijan, a 57-year-old resident of Nuapada, suffering from chronic kidney disease was admitted to Shree Balaji Hospital, Raipur.

Unfortunately, he breathed his last while undergoing treatment. The bereaved family were left helpless since they were under financial stress. They approached Odisha-Mo Parivar seeking help

for returning to their native place.

Upon getting the information, the matter was discussed with Minister Sri Rajendra Dholakia, who made required logistical arrangements to transfer the mortal remains from the hospital at Raipur to their native place at Nuapada.

# Major Interventions By Helpdesk Associates

## Provided Rare Group of Blood

Patient's husband receiving blood from helpdesk associate

**S**anjulata Naik, a 28-year-old resident of Mayurbhanj, was admitted to PRMMCH for her delivery.

During the delivery, there was an urgent need of rare O- blood and her family approached our help desk associate Ashish Rana who immediately arranged one donor for the patient and also helped in required assistance at the hospital.

**N**azrana Begum, a 29-year-old resident of Cuttack, was admitted to SCB, Cuttack for her delivery.

During the delivery, there was an urgent need of rare AB+ blood and her family approached our help desk associate Sandeep Rath who immediately arranged one unit of blood for the patient and also helped in required assistance at the hospital.

Patient's husband receiving blood

**N**idrabati Mukhi, a 30-year-old from Angul suffering from liver infection was admitted to SCB Hospital, Cuttack.

She was in dire need of rare AB+ve blood during the course of her treatment. Our helpdesk associate Sandeep Rath upon getting information, arranged 1 unit of blood from Red Cross blood bank along with providing required medical assistance at the hospital.

Patient's father receiving blood

**A**bhimanyu Dehuri, a 60-year-old resident of Boudha, suffering from brain tumor was admitted to AIIMS Bhubaneswar.

There was dire need of rare AB+ve blood during the course of his treatment. The family approached our helpdesk associate Somnath Swain who arranged 1 unit of blood and coordinated for treatment under BSKY scheme.

Patient undergoing treatment at the hospital

Donor donating blood for the patient

**B**anita Harijan, a 46-year-old resident of Aratatranapur, Nuapada was admitted to Balaji Nursing Home and was in dire need of AB+ve blood.

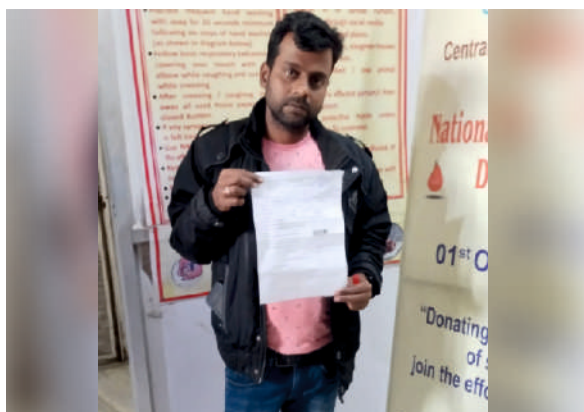

The family was unable to arrange the required blood and approached our helpdesk associate Himansu Naik stationed at DHH Bhawanipatna who immediately arranged a donor for the patient.

**G**iridhari Parida, a 61-year-old resident of Bhubaneswar, suffering from stomach tumor, was admitted to SUM, Hospital where there was a dire need of rare AB+ve blood during his surgery.

Our helpdesk associate Alok Sahoo arranged 1 unit of blood for the patient and also assisted during the course of the treatment.

Patient's son receiving blood from helpdesk associate

Patient's brother receiving blood from helpdesk associate

**P**rasant Kumar Nayak, a 42-year-old resident of Jajpur, suffering from blood cancer, was admitted to SCB, Cuttack. There was need of rare AB+ve blood during the course of his treatment.

Our helpdesk associate Sandeep Rath arranged 1 unit of blood for the patient and also assisted during the course of the treatment.

**S**esan Samal, a 35-year-old resident of Dhenkanal, suffering from brain tumor, was admitted to SCB, Cuttack. There was need of rare A-ve blood during his surgery which was difficult to arrange on behalf of the family.

Upon getting information, our helpdesk associate Santosh Das arranged 1 unit of blood for the patient and also assisted during the course of the treatment.

Patient's wife receiving blood from helpdesk associate

### BSKY

Helpdesk associate Prakash attending the patient

**B**.Yashwant, an 11-year-old boy from Rayagada had met with an accident and was admitted to Indus Hospital Visakhapatnam for treatment.

Our helpdesk associate Prakash Behera attended the patient and helped in required documentation process for the treatment under BSKY scheme and maintained a follow-up till the patient recovered and got discharged.

**A**rati Sethi, a 33-year-old resident from Ganjam detected with neck cancer was admitted to MKCG, Berhampur for a surgery.

Later, the patient was shifted to HCG cancer hospital, Visakhapatnam, for chemotherapy and radiations. Our helpdesk associate Prakash Behera attended the patient and helped in required documentation process for the treatment under BSKY scheme.

Patient undergoing treatment at the hospital

Helpdesk associate Himansu attending the patient

**U**ttam Jal, a 26-year-old resident of Balangir suffering from stomach pain visited DHH Bhawanipatna for check-up.

After check-up he was detected with appendicitis and was advised for a surgery at a private hospital. Our helpdesk associate Himanshu Naik helped him in getting a doctor's consultation, followed by the required tests and helped in required documentation process for the surgery under BSKY scheme and coordinated to shift the patient.

**N** Saraswati, a 52-year-old resident of Gajapati suffering from stomach cancer was referred to Mahatma Gandhi Cancer Hospital, Visakhapatnam for treatment.

Our helpdesk associate Prakash Behera attended the patient and helped in getting a consultation at the oncology department along with the required documentation procedure for treatment under the BSKY scheme.

Patient undergoing treatment at the hospital

Helpdesk associate Rojalin attending the patient

**K**anchana Gouda (57), a resident of Manjhari, Kalahandi with a Gynecological issues visited DHH Bhawanipatna for doctor's consultation.

Our helpdesk associate Rojalin Panda helped her in getting a consultation and required tests. The doctor advised the patient to shift to VIMSAR Burla for further treatment. Rojalin helped in required documentation process for her treatment under the BSKY Scheme and coordinated to shift her to Burla.

**B**hatra Kumar, a 48-year-old, a resident of Koraput suffering from liver cancer and tumor in brain was admitted to Sagar Durga Hospital at Visakhapatnam.

The patient was advised for surgery and our helpdesk associate Prakash Behera helped the patient with the required medical assistance and documentation process for the surgery under the BSKY scheme. He also assisted the patient with the required tests as directed by the doctor.

Helpdesk associate Prakash attending the patient

Helpdesk associate Prakash attending the patient

**H**rushikesh Pujari, a 22-year-old resident of Kalahandi suffering from brain hemorrhage was admitted to Indus Hospital, Visakhapatnam.

Our helpdesk associate Prakash Behera attended the patient and helped in required documentation process for the treatment under BSKY scheme and maintained a follow-up till the patient recovered and got discharged.

Our helpdesk associate Somanath Swain attended the patient and helped in required assistance at the hospital for the treatment under BSKY scheme and maintained a regular follow-up with the patient and the family.

Helpdesk associate Somanath attending the patient

## Going The Extra Miles

Helpdesk associate Somanath attending the patient

**R**amchandra Patra, a 50-year-old abandoned person was found lying on the streets injured. Few people noticed and admitted him to AIIMS, Bhubaneswar.

Our helpdesk associate Somnath Swain, stationed at the hospital attended the patient and took complete care of him during the course of the treatment which continued for around 15 days. After

recovering, Somnath felt that since there is no one to take care of the person, he started contacting NGO's and with the help of medical staffs, Ramchandra was shifted to a shelter home. Somnath helped the person in getting medicines from the counter and assured him that he will take care of him whenever he visits the hospital for his check-up.

Logistical arrangement made to shift the patient

**A**n elderly lady severely injured was lying in front of King George Hospital in Visakhapatnam, who was noticed by our helpdesk associate Prakash Behera while returning after his work.

Prakash enquired and got to know that she was hit by a vehicle and was dropped by an ambulance in front of the hospital. She was left unattended and was crying for help. Upon noticing her, Prakash took her for emergency treatment. After getting to know about her whereabouts, Prakash made logistical arrangements to shift her to her native place safely. After reaching at her hometown she and her family expressed gratitude for the selfless service rendered by Prakash in their time of need.

## Logistical Support

Logistical arrangement made to shift the patient

**L**axmi Gouda, a 13-year-old child from Koraput met with severe burn injuries after coming in contact with an electric wire.

She was admitted to SLNMCH for emergency treatment. After that she was advised to be shifted to MKCG for further treatment. Our helpdesk associate Baikuntha Mandal attended the patient in required medical assistance and made logistical arrangements to shift the patient to MKCG, Berhampur and coordinated with helpdesk associate Girija Satpathy to attend the patient.

**M**asera Bindhani, a 57-year-old resident of Mayurbhanj suffering from chronic kidney disease was admitted to PRMMCH, Baripada.

Unfortunately, he breathed his last while undergoing treatment at the hospital. The bereaved family approached Odisha-Mo Parivar seeking help to transfer the mortal remains to their native place and our helpdesk associate Ashish Rana, stationed at the hospital made required arrangements for the same.

Logistical arrangements made to transfer the mortal remains

Logistical arrangement made to shift the patient

**R**upesh Nag, a 7-year-old resident of Kalahandi suffering from malaria, was admitted to DHH Bhawanipatna.

The patient was advised to be shifted to VIMSAR, Burla for further treatment. Our helpdesk associate Rojalin Panda helped her in getting consultation and later coordinated in making logistical arrangements to shift the patient to VIMSAR, Burla and intimated our helpdesk associate Dharendra Suna at Burla to assist the patient.

**K**umar Mani Naik, a 60-year-old resident of Kalahandi, met with an accident victim and was admitted to DHH Bhawanipatna for emergency treatment.

Our helpdesk associate Rojalin Panda attended the patient at the emergency ward, assisted the patient in required tests & getting medicines from the counter.

Later as per the doctor's advice she coordinated to shift the patient to VIMSAR, Burla for further treatment.

Logistical arrangement made to shift the patient

Logistical arrangement made to transfer the mortal remains

**S**amarai Marandi, a 60-year-old resident of Suliapada, Mayurbhanj had met with an accident and was admitted to SCB, Cuttack.

Unfortunately, he breathed his last during the course of the treatment and his family was under stress to transfer the mortal remains. Upon getting the information, our helpdesk associate stood by the family and coordinated in making logistical arrangements to transfer the mortal remains from the hospital to their native place.

**M**ahesh Madkami, a 4-month-child was admitted to SLNMCH, Koraput in emergency.

Unfortunately, the baby died during the course of the treatment. The bereaved family members were shocked and were under financial stress to return to their native place. Upon noticing them, our helpdesk associate Baikuntha Mandal helped them in required assistance at the hospital and made logistical arrangements to transfer the mortal remains to their native place.

Logistical arrangement made to transfer the mortal remains

## Providing Blood During Emergency

Donor arranged by Himansu for an anemic patient

Donor arranged by Ashis Rana for a patient undergoing surgery

Donor arranged for a delivery patient

Helpdesk associate Dhirendra donating blood in emergency

Donor arranged by HD associate Siba for a patient undergoing surgery

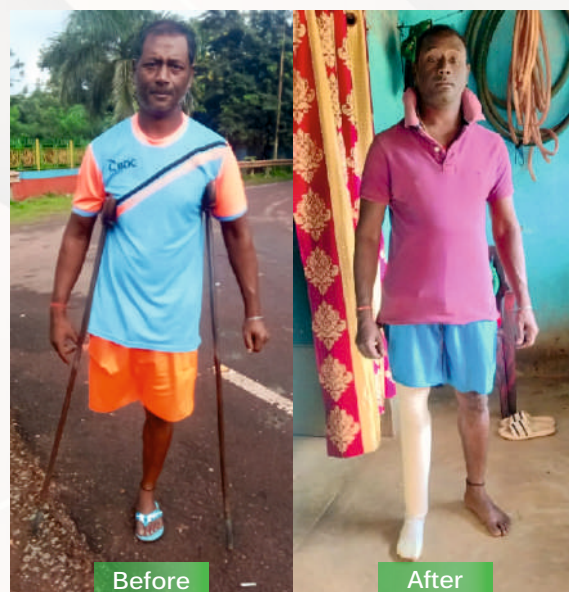

Donor arranged by Himansu for an CKD patient

## PROSTHETICS PROVIDED BY ODISHA-MO PARIVAR

### 1. Mangal Lohar

**M**angal Lohar, a resident of Keonjhar was severely injured while playing football in the year 1999. His right leg was injured which later led to bone cancer. A tumor was also detected in his leg which burst out, unfortunately leaving him with no other option except leg amputation as per the doctor's advice. He had availed a prosthetic but due to the heavy weight he was unable to use it. Upon getting information regarding provision of prosthetics by Odisha-Mo Parivar, he approached seeking help for the same and was guided to ARC, Capital Hospital for measurements. After receiving prosthetics, which was comfortable to use, he expressed his gratitude for the same.

### 2. Ranjan Kumar Mallick

**R**anjan Kumar Mallick, a 33-year-old resident of Cuttack met with an accident in November 2020 where he suffered severe injuries on his left leg. He went through few surgeries but unfortunately the injuries couldn't heal and his right leg was amputated above knee as per the doctor's advice.

He got information about prosthetics through one of his colleague and approached seeking help for the same and was guided to ARC, Capital Hospital for measurements. After receiving prosthetics he expressed his gratitude for the same.

### 3. Surat Behera

**S**urat Behera, a 26-year-old resident of Bharatpur, Bhubaneswar had fallen from a swing when he was 8-year-old, leading to injuries on his right hand which later led to infection and unfortunately the doctor advised for amputation below the elbow.

But his strong determination made him fight back and succeed and at present, he works as a ticket collector at the parking lot near Khadi Niketan (Janpath). His story was highlighted in social media which came to the notice of Joint Secy. Sri Rudra Samantaray and soon Surat was directed to ARC for availing prosthetics. After availing prosthetics he has expressed his gratitude towards Odisha-Mo Parivar.

## EMPLOYEE OF THE MONTH

### Arup Sadangi

In order to value the efforts put in by the staff for the smooth functioning of the organization they are being recognized as the “Employee of the Month”. Arup Sadangi has been awarded with the title for the month of December. He has always been responsible and proactive. He has always given his best efforts to improve himself and provide the best output.

## ASSOCIATE OF THE MONTH

### Somanath Swain

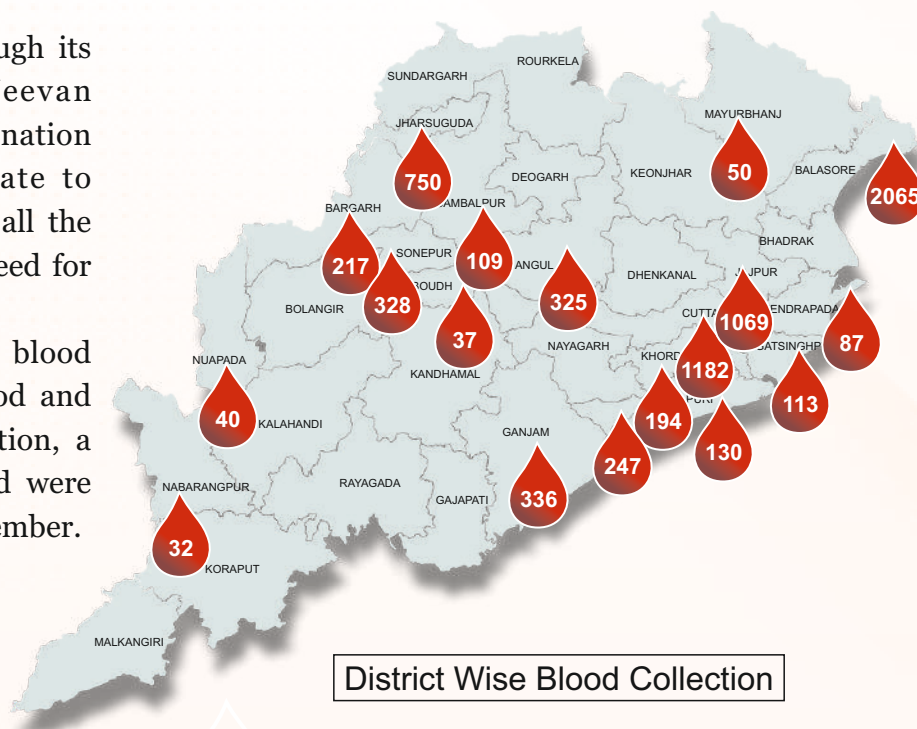

The helpdesk associates stationed at major hospitals of the state are the frontline staff of the organization who play a major role to fulfil the vision of the organization by helping the needy people at the hospital. Apart from helping them with required medical assistance, they stand by the patient and the family providing moral support during their difficult times. This month helpdesk associate Somanath Swain, stationed at AIIMS, Bhubaneswar has been awarded the title of “Employee of the month”.

## JEEVAN BINDU BLOOD DONATION PROGRAM

Odisha-Mo Parivar through its flagship program “Jeevan Bindu” organizes blood donation camps throughout the state to maintain a proper stock in all the blood banks for people in need for blood in hospitals.

Taking the capacity of the blood banks, current stock of blood and requirement into consideration, a total of **7311** units of blood were collected in the month of December.
