## From Struggle to Success: Bhupendra's Journey to Recovery

Suffering from a rare disorder resulting in excessive weight gain, Bhupendra Kisan, a 25-year-old resident of Sundergarh district, was facing a lot of issues in his day-to-day life.

He was admitted to a hospital in Sundergarh but since there was no noticeable improvement, Bhupendra was referred to SCB, Cuttack. The family approached their local leader who escalated the matter to MP, Dr Amar Patnaik. Sri Patnaik further

discussed the matter with Dr. Satyajit Dash, health advisor, Odisha-Mo Parivar and immediately swift action was taken to address Bhupendra's situation.

Our helpdesk associate Santosh Das, stationed at SCB, Cuttack was advised to attend the patient. Santosh extended his help to Bhupendra and his family with all the required assistance at the hospital. After undergoing treatment for a few days, the

## Empathy In Action

**P**adma Pradhan, a 51-year-old resident of Bargarh suffering from severe abdominal pain was undergoing treatment at Bargarh and later shifted to VIMSAR, Burla.

Upon consultation the patient was advised to get admitted. Our helpdesk associate Dharendra Suna attended the patient and helped in getting doctor consultation followed by the prescribed tests. The patient was not allotted a bed and was sitting helplessly in the waiting zone. There was urgent need of surgery for the patient. Dharendra discussed the urgency with the medical superintendent and a bed was arranged for Padma.

The patient was advised for a surgery and there was need of rare AB+ve blood during the surgery. The patient was being looked after by her daughter, who was not aware of the hospital procedure and unable to arrange the blood.

Dharendra helped both the patient and her daughter with required assistance during the entire course of the treatment and also arranged a donor for the patient during the surgery.

## Coordination and Support in Times of Loss

**C**handan Nayak, a 26-year-old resident of Ganjam, left his home to work as a daily wage labourer in Pune to support his family.

Chandan couldn't handle the

extreme stress at workplace, sadly leading to his death by poisoning. Upon receiving the devastating news of their son's demise, his family was left in shock and unable to travel to Pune to retrieve

his body or organize arrangements for his return to their hometown.

Their wish was to see their son for the last time and approached MLA Sri Bikram Panda to help them. Upon receiving the information, Sri Panda made the necessary arrangements to shift the body from Pune to Ganjam.

He stood by the family and supported them to conduct the last rites. The family and the villagers expressed their gratitude for getting support during their darkest hour.

# Assisting A Differently-abled Tourist

**K**anhai Das, a 49-year-old resident of Kolkata was on a pilgrimage to Puri. During his visit to Sri Jagannath temple, he got attacked by a monkey and got injuries on his thigh and arm.

Being differently-abled, with his right arm lost in an accident, he was bit terrified by the attack of the monkey. Soon, he was taken to DHH, Puri. Kanhai was not aware of the hospital procedures. Biswo, our helpdesk associate upon noticing Kanhai, immediately helped with the required medical assistance, starting from getting a

doctor's consultation to acquiring medicines from the counter.

Biswo also discussed with Kanhai regarding his disability and advised him to reach out during his next visit to facilitate the acquisition of a prosthetic.

Kanhai expressed his immense gratitude to all the Odia brothers and sisters for being cooperative and extending support during his visit to Odisha, specifically thanking Biswo for his invaluable assistance and guidance regarding availing prosthetics.

# Assisting An Accident Patient

**K**aibalya Majhi, a 32-year-old resident of Kacharapara, Nabarangpur had met with an accident and was admitted to

DHH Nabarangpur for emergency treatment.

Later, he was shifted to SLNMCH for further treatment. MLA Sri Prakash Chandra Majhi intimated our helpdesk associate Baikuntha Mandal to look after the case. As soon as the patient reached the hospital, Baikuntha attended the patient and helped with the required medical assistance. After undergoing treatment for a day, the patient was advised to be shifted to Visakhapatnam for further treatment.

Baikuntha helped the family in making required arrangements to shift the patient from SLNCMH, Koraput to Visakhapatnam. He also intimated Prakash Behera, our helpdesk associate stationed at Visakhapatnam to attend the patient.

# Voluntary Organ Donation Registration

Organ donation is a remarkable gift of life. It helps save or improve the lives of others who are in need of transplantation due to organ failure or disease.

Odisha-Mo Parivar has been steadfastly serving the community with unwavering dedication, extending support to the needy and distressed during their most challenging times. As part of its community service, Odisha-Mo Parivar launched "Organ Donation Registration Drive" on March 5, 2022 at its headquarters.

Since then, over 700 individuals have voluntarily registered themselves for organ donation, reflecting the commendable response and enthusiasm towards this noble cause. In the month of March, the following individual came forward to register themselves for organ donation.

**1** Trilochan Sahoo, a 40-year-old resident of Bhubaneswar learned about the organ donation registration, through social media. Motivated by the cause, he reached Odisha-Mo Parivar headquarters and promptly registered himself for the noble cause.

**2** Partha Sakha PaltaSingh, a 52-year-old resident of Jagatsinghpur, learned about the registration process through Sri Surendra Mohapatra (NRO, Advisor). Being an active social worker and with a determined spirit to donate all his assets after his demise, he sought to extend his help to others through organ donation.

**3** Upon realizing the significance of organ transplants, Manoj Mohapatra, a 47-year-old from Cuttack, made the decision to register himself for organ donation. He approached Dr. Satyajit Dash, the health advisor at Odisha-Mo Parivar, where he was guided through the registration process and successfully enrolled himself for this noble cause.

**4** Subhasish Nayak, a 25-year-old resident of Bhubaneswar, known for his selfless service as an active social worker in his community, recently learned about the noble cause of organ donation. Motivated by the opportunity to make a difference, he approached Odisha-Mo Parivar and promptly registered himself for organ donation.

# Late Night Assistance To A Burn Victim

**M**ir Roshan, a 29-year-old resident of Jajpur met with an unfortunate incident where he suffered severe burn injuries to both hands while working on site. Despite narrowly escaping death, his injuries required immediate attention and he was immediately taken to a nearby hospital for emergency treatment and later shifted to a private Hospital in Bhubaneswar.

The severity of his injuries and the rapid spread of infection necessitated further treatment at AIIMS, Bhubaneswar. Due to unavailability of bed, the family decided to shift him to another private hospital. They tried at 2 other hospitals but got stressed as bed was not available in the late-night hours and it was highly required to admit the patient and start the treatment to avoid further infection.

They approached Odisha-Mo Parivar seeking assistance to get a bed at SCB, Cuttack. In the dead of

Patient undergoing treatment at the hospital

the night, Santosh Das, our helpdesk associate stationed at SCB, Cuttack responded promptly and rushed to the hospital. He discussed the matter with the hospital superintendent and ensured the availability of bed for the patient. Soon, the patient was shifted to Cuttack and Santosh assisted in the required hospital procedures for admission.

Since the injuries led to severe

infection, both the hands were amputated. Santosh provided comfort to Mir Roshan, informing him about the availability of prosthetics and promising to assist him in obtaining them in the future.

Mir Roshan and his family expressed heartfelt gratitude to Santosh for his unwavering support during the challenging late-night hours.

# Kindness in action: Somanath's support to Liza

**L**iza Sahoo, a 17-year-old resident of Delang, Puri with mental disorder visited AIIMS,

Patient undergoing treatment at the hospital

Bhubaneswar for a check-up accompanied by her mother.

Liza was being taken care of by her mother, who was also distressed as Liza's father was in jail. Liza's mother who was sitting worried in the waiting area of the hospital, was noticed by our helpdesk associate Somanath Swain.

Upon getting to know about their situation, Somanath helped Liza and her mother in the required medical assistance. As per the

doctor's advice Liza was to be admitted for treatment. Somanath not only helped in the hospital procedure but also supported in getting meals for Liza's mother and procuring the prescribed medicines from the counter for the patient. Liza was found to have hearing impairment and Somanath guided to get a hearing aid for her.

Somanath kept a follow-up with them and ensured their safe return to their native place in Delang after discharge.

# Assisting In Transferring Mortal Remains

Akhil Kumar Pradhan, a 56-year-old resident of Bargarh, suffering from abdominal pain, was undergoing treatment at SUM Hospital, Bhubaneswar.

Unfortunately, he breathed his last while undergoing treatment. The family who was under financial stress, approached Sri Gourahari Mishra, our Jeevan Bindu coordinator, Bargarh, seeking logistical help to transfer the mortal remains.

After getting information from Sri Mishra, Siba Rout, our helpdesk associate stationed at SUM Hospital, was guided to reach out to the family. Siba helped the family with required assistance during the postmortem and required documentation work. He also helped the family in making logistical arrangements to transfer the mortal remains from the hospital to their native place in Bargarh.

# Training And Prosthetics Distribution Program

The SSEPD department along with the Biju Mahaveer Jaipur Foot Centre (BMJFC), organized a 6-day training program in Bhubaneswar which covered making of prosthetics for lower limbs and hands.

Associates from Odisha-Mo Parivar helpdesk also participated in the program. Beneficiaries who were in need of prosthetics were

intimated to attend the program. In total, 72 artificial limbs, five wheelchairs, two tricycles, five pairs of auxiliary crutches and two pairs of elbow crutches were distributed during the program.

Our associates interacted with the technical team to gain knowledge about the prosthetics. They also interacted with the beneficiaries and actively took part in the

program to assist the beneficiaries.

All the beneficiaries expressed their gratitude to the entire team for the support extended and providing prosthetics free of cost.

The SSEPD department aims in conducting more such training programs in near future so that a greater number of beneficiaries can avail the opportunity.

# Assisting Mitrabhanu's Family

**M**itrabhanu Rana, a 56-year-old resident of Bargarh consumed poison and was rushed to VIMSAR, Burla for treatment.

Even after the efforts of the team, Mitrubhanu couldn't survive. The family was not stable enough to return to their native place and approached Sri Gourahari Mishra, our Jeevan Bindu coordinator, Bargarh, to help them.

Logistical arrangements made to transfer the mortal remains

Sri Mishra informed Dharendra Suna, our helpdesk associate at VIMSAR, who immediately reached out to the family and helped in the required hospital procedures.

He also helped them in making logistical arrangements to transfer the mortal remains from the hospital to their native place in Bargarh.

# Assisting The Bus Accident Victims

**O**n the evening of 26th March, 2024, a private bus traveling from Malkangiri to Berhampur met with a serious accident near Podagada village in Koraput. At a sharp turning, the bus lost its balance and overturned. The police and local villagers assisted the injured passengers in reaching the nearby hospital for emergency treatment who were further shifted to SLNMCH, Koraput.

It was around 11pm when the patients were shifted and upon getting information, Baikuntha

Mandal, our helpdesk associate in Koraput, rushed to the hospital to provide assistance. Out of the 10 critically injured passengers, one person lost his life in the accident.

The alternate driver of the bus was severely injured leading to amputation of his leg and for further treatment he was shifted to MKCG, Berhampur. Baikuntha helped in making logistical arrangements to shift the patient and intimated our helpdesk associate at MKCG to attend him. Baikuntha also aided in various

other matters, including identifying the deceased and contacting their family. After the family reached the hospital, Baikuntha helped in the procedures during postmortem and arranged logistics to transfer the mortal remains.

After that, Baikuntha maintained a follow-up with the passengers who were admitted for treatment and helped in required medical assistance till they recovered and got discharged.
